

Job description for Specialist Paediatric Physiotherapy position at Physio4Kids&Young Adults

- Enthusiasm, self-motivation and the ability to offer a high level of clinical care.
- Assisting clients to achieve their goals with integrity.
- To provide clinical care in terms of comprehensive assessment; clinically-reasoned diagnosis; relevant, efficient and effective evidence-based treatment using care pathways and the treatment techniques with which you have expertise. This could take place in a variety of settings - schools, homes, gyms etc.
- Be familiar and use a variety of treatment approaches on planning and carrying out treatments (e.g. hydrotherapy, hands on techniques, exercise programmes etc).
- Have a comprehensive understanding of specialist paediatric equipment, provide specialist assessment, train care team and undertake risk assessments for equipment provided.
- An ability to manage their own diary, work autonomously and adapt to a changing and variable caseload whilst contributing to the development of the business.
- A working knowledge of IT.
- To maintain thorough, contemporaneous notes, in keeping with the CSP standards.
- To maintain discharge records correctly, in keeping with CSP regulations.
- To maintain and document CPD in terms of courses, reading, reflective practice, working with colleagues to a standard higher than the minimum level set by the CSP. To evidence an ongoing desire to learn and to constantly evaluate and reflect on patients seen within the clinic.
- Continue to develop clinical skills, clinical knowledge and reasoning skills by attending courses, reading, internet use, relevant journals and practice with colleagues. We offer a programme of in-service training.
- Participate in practice days and delivery in-service training as part of ongoing education process.
- Actively participate in performance review system to promote personal and clinic development.
- To work alongside and support colleagues, and be an enthusiastic and committed team player. You will be supported by our senior clinical and managerial teams, and a full comprehensive induction will be given.
- To actively engage in promoting physio4kids&youngadults and bringing in new business. This might require some work outside normal working hours of contract.
